Dear Members of Faith,
Thank you very much for your cards following my most recent concussion. I really appreciate your prayers as well. I will be returning to Grinnell College this fall with a reduced load of classes. I am thankful that this concussion progressed quicker than the last one. Thank you for your support that you have given me over the years. Best wishes for your continued ministry. Thank you again.

Sincerely, Katie Mehlretter

Dear Members of Faith,
We want to thank you for your card filled with kind thoughts and prayers. As you may hear in Katie's card, she has made some good progress over the past few weeks. We are all pleased to have her return to Grinnell College with a reduced load of classes. We continue to pray and trust in God's presence and continued healing for Katie. Many thanks again. God's blessings to all of you and your ministry.
