VBS this year will be held outdoors as much as possible. We will have protocol in place to keep everyone as safe and healthy as possible. There will be full group sessions at the beginning and end of each day inside, but most of the day will be spent with children in their small, grade level groups. More information will be sent out to participants as we get closer to VBS, but if you have any questions please do not hesitate to contact Rebecca Roehl (see above).
