NOTES FROM THE PASTOR

Summer is here! Our eldest has just finished kindergarten. Where has the time gone? June 2025 marks my fifth anniversary of being a part of the Faith Evangelical Lutheran Family, first your vicar and now your pastor. We have had many gains and losses within our time together, and I am honored to still be on this journey with you.

As we look into the future we are on the brink of many new opportunities. Our new addition to the church is at the 20 year mark with items that need updating. We are moving deeper into the technology era with an older congregation in need of youthful energy and knowledge in that area. We have a part-time pastor, part-time administrative assistant and part-time director of music currently on payroll without a concrete plan on hiring anyone else at this time. We are currently sitting on a deficit budget for the year, so you are in luck, my friends! There is work to be done, and you are invited and encouraged to join in on the fun! We are glad you are here. Let us look up to God for strength and gather to make a prayerful plan to continue in ministry together.
